

BUENOS AIRES 3 NTS / 4 DAYS SUGGESTED ITINERARY

DAY 01: BUENOS AIRES

After arrival to Ezeiza International Airport you will be received and taken to your Hotel.

Buenos Aires is a complex, energetic, and seductive port city, which stretches south-to-north along the Rio de la Plata; it has been the gateway to Argentina for centuries.

Porteños, as the people of Buenos Aires are known, possess an elaborated and rich cultural identity. They value their European heritage highly, and the lifestyle and architecture are markedly more European than any other in South America. One of the world's finest opera houses, the Colon Theater, flourishes here on the plains alongside the river.

But the city has also spawned its own art forms, notably the tango, for which Buenos Aires is famous.

After some personal time, you will be able to acknowledge the elapsing of time in space discovering Outstanding Buenos Aires on a **3 hours tour of the city.**

Architecture, museums, sculptures, history... Colonial, Renaissance, Baroque, Neoclassic, Art Nouveau, Art Deco, Modern, International... Buenos Aires is a city with style.

Puerto Madero, Plaza de Mayo, Av. de Mayo, The National Congress Building, Avenida Corrientes, The Obelisk, El Ateneo Bookstore, Floralis Genérica, Recoleta Cultural Center, Nuestra Señora del Pilar Basilica, Cemetery of la Recoleta, Caminito Street, La Boca and more...much more...

DAY 03: BUENOS AIRES

After enjoying breakfast at Hotel you will head off for a **half day excursion to the northern districts, Tigre and Delta. OPTIONAL**

30 kms away from the City of Buenos Aires, Tigre and its delta leads us deep into a natural scenery where the thickness of the shrub land is embraced by various channels of reddish waters.

Our delta is the third in the world as regards size, following the famous Nile River Delta (in Africa) and the Amazonas River Delta (in the North of Latin America). Nevertheless, its 27 thousand square kilometres have been hardly exploited. Enjoy one hour boat ride on the Delta.

This evening enjoy dinner and a magnificent Tango Show at Porteño Tango OPTIONAL

Tango Porteño recovers that spirit crystallized in a unique place. Magically it recreates the best and most transcendental time ever in the history of tango framed within a luxurious building of those days that used to be a movie theater of the Metro Goldwyn Meyer. The old and beloved Metro, just a few steps away from the Obelisk today becomes Tango Porteño, a place blending the most refined environment and pure golden days' deco with great artists, unbeatable productions, and first class cuisine paying home to the represented time. It could not be otherwise because Tango Porteño is the image of Buenos Aires, the "City of Tango."
